COMMITTED TO QUALITY, FROM PREP TO FINISH

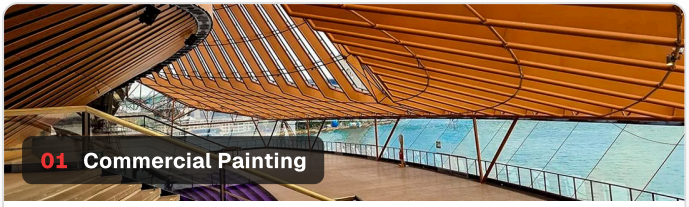

Painting run as a system, not a quick fix.

Structured, prepared and supervised painting for builders, strata, property managers and homeowners across Greater Sydney. Every job is planned before it starts, prepared properly and run by supervised teams using premium paint systems, so the work stays on program and the finish lasts.

- Prepared
- Supervised
- On program

What we do

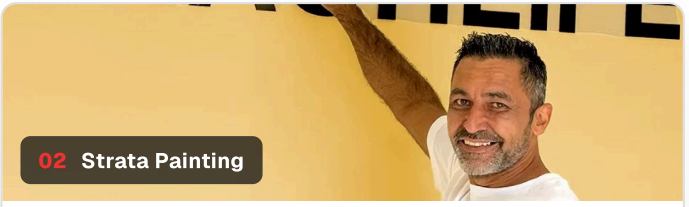

Painting and paint remediation across commercial, strata and residential projects.

Commercial Painting

Offices, retail, industrial and new-build projects for builders and developers.

- Structured, supervised teams that work to program
- New builds, fit-outs and repaints
- Staged to keep your site moving

Strata Painting

Common areas, facades and full repaints for body corporates and property managers.

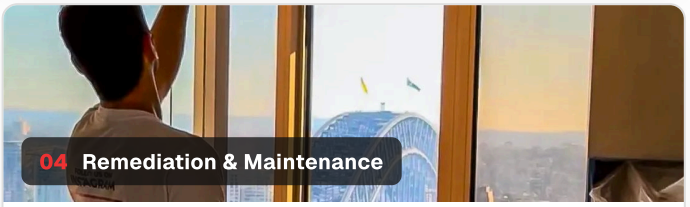

- Common areas, lobbies, car parks and facades
- Full building repaints
- Delivered with minimal disruption to residents

Residential Painting

Interior and exterior house painting for homeowners across Sydney.

- Interior and exterior repaints
- Prepared and supervised so the finish lasts
- Premium paint systems throughout

Paint Remediation & Maintenance

Work that fixes the cause, not just the symptom.

- Surface preparation and repairs
- Touch-ups and defect rectification
- Scheduled maintenance programs

WHO WE WORK WITH Builders & developers · Strata & body corporate · Property managers · Architects & designers · Homeowners
